Dispute resolution

Disputes are obviously stressful and upsetting from a personal point of view. But the effect on your business can be far worse.

Going straight for litigation isn't the answer; it can be costly and time-consuming, and can have a negative effect on your business targets.

We focus on getting to the heart of the problem and finding a quick and cost-effective solution that calms the waters and allows you to get on with business as normal. Our pragmatic approach keeps commercial realities at front of mind and allows you to concentrate on the end result and the financial implications, while leaving the nitty gritty legal details to us.

Our areas of expertise include:

- > Agency/Distribution Agreement
- > Alternative dispute resolution
- > Arbitration
- > Banking and finance
- > Company/Corporate
- > Construction disputes
